Base Rate for all AWAKEN Venues: \$900. This includes all major costs of the event including mileage. A \$300 deposit (going towards the final cost) is required upon receiving the host contract after booking. The remaining \$600 is due 2 weeks prior to the presentation date. There is a possible cost for any installation needs for power supply the host venue may need to provide to meet the technical requirements as outlined in the host contract.

Depending on the current technical set-up of each venue, this cost may be unnecessary or an additional \$100 maximum for the installation of a temporary power supply by a licensed electrician. Consultation among your local electrician and the **AWAKEN** Production Director will take place after a tour date is booked to determine proper electrical configurations. Please contact us with any questions. Providing food for the **AWAKEN** team would also contribute to the final costs of hosting the team. See Food and Lodging notes below for details.

Commitment: The venue will allow **AWAKEN** to use the facility for the whole day. We understand sometimes this is a large commitment, so we ask that once the date is set other events do not overlap with **AWAKEN's** use of the facility. There is a possibility of our tech team arriving the night before an event to set up; this is a case by case basis. We will be in contact with the host coordinator if this is necessary.

Technical Requirements: **AWAKEN** provides its own basic audio, lighting and video setup. However, once the date is booked the venue will be asked to provide power and other technical and facility needs that are outlined in the contract.

Promotions: Promotional material will be sent out at least 2-3 months in advance. The venue is expected to promote **AWAKEN** with the materials provided as well as in-house promotions.

Tickets: Because we desire as many people as possible to experience **AWAKEN**, as well as current copyright restrictions, we ask that you do not charge any fee for those attending the event.

Offering: After the conclusion of the drama, **AWAKEN** will be receiving an offering to directly support the ministry. This offering cannot be included in the host venue's payment.

Food and Lodging: The venue will be responsible for providing meals for the duration of **AWAKEN's** time at the venue. This includes breakfast at host homes if necessary as well as lunch and dinner on site. We will be in further contact about that information.

Dates: **AWAKEN** tours February-May each year, predominantly on Saturday and Sunday. If you are interested in booking a presentation, please follow the instructions on the form and we will attempt to accommodate your preferences as well as possible.

Notification: After receiving your completed form, **AWAKEN** will notify the venue to further the process of booking. If a date is agreed upon the venue will be asked to sign a production contract with **AWAKEN**. **

If you have any other questions or concerns feel free to email **AWAKEN** at

tour@awakenonline.org or go to our website www.awakenonline.org/GetInvolved

Due to the high amount of interest in hosting **AWAKEN, we are unable to guarantee tour dates for all requests at this time. Interested venues will be notified of availability through email.
